Social Events can be meals such as breakfast, lunch or dinner on any given day of the conference (ask for availability) or social events like a cocktail hour or pool social during available times. If you'd like to bring a speaker through your own company, doing a social event/dinner would give you the best opportunity to do so.

Please attach or email any logo that you would like included on conference materials.

Email any questions to Dr. Whitney Keller or Monica Mosqueda at

THANK YOU FOR YOUR CONTINUED SUPPORT!
